

VISITOR POLICY

1. Upon completing the sign in process, visitors will receive a numbered badge with STRIKEWERX branding from the Office Manager. Visitors are to remain in the STRIKEWERX Innovation Hub (STRIKEWERX) unless utilizing the first-floor bathroom, and must re-enter STRIKEWERX via the solid wooden door adjacent to the glass double doors. At no time should any individuals visiting STRIKEWERX pass through the turnstiles leading to the Cyber Innovation Center (CIC) lobby. Upon leaving, visitors will return their badges to the Office Manager at STRIKEWERX's reception desk, where they will be checked out, and can exit the front door into the CIC lobby.
2. If a visitor wishes to go anywhere within Cyber Innovation Center other than STRIKEWERX, they must check in separately at the CIC security desk in the lobby. Additionally, if any visitor that is NOT a US citizen wishes to visit a CIC space other than STRIKEWERX, they will need to follow the usual process of submitting a CIC Visitor Request Form two weeks prior to their desired visit.

MEDIA POLICY

1. Photos are authorized to be taken within the STRIKEWERX Innovation Hub (STRIKEWERX) only. No photos, including selfies, are allowed anywhere else within or on Cyber Innovation Center property without prior approval.
2. Social Media is authorized with approval from other groups or users in STRIKEWERX. STRIKEWERX and its personnel are not responsible for any social media posts or photos shared.
3. Requests for outside media access should be directed to STRIKEWERX's Director of Marketing and Communications, who will request approval from Air Force Global Strike Command Public Affairs.
