ABOUT STRIKEWERX

What is STRIKEWERX?

With collaboration space in the heart of the Ark-La-Tex and proximity to Barksdale Air Force Base, Louisiana Tech University, and LSU Shreveport, STRIKEWERX is an innovation arm of the AFGSC Office of the Chief Scientist. It connects people and resources across government, business, and academia to help solve the challenges faced by Air Force Global Strike Command.

What do we do?

- Challenge Events
- Design Sprints
- Fusion Collaborations
- Problem Definition Workshops
- Spark Tank innovation pitch facilitation

What have we done?

Our FY 2022 Success Metrics
